LUMINAR SDN. BHD.

Forest Hoyden, Sales Engineer
+60 3 7859 1192
info@luminar.my
luminar.my/

Luminar Sdn Bhd (formerly known as Exceltech Electronics Sdn Bhd) was established in 1988 by 4 ex-Engineers from Motorola Malaysia Sdn Bhd. Now with over 30 years of experience in the laser business, Luminar has since developed its own range of lasers for marking, engraving, welding, cutting and most recently, laser cleaning. The progress the company made can be attributed to the

strong support from its customers, suppliers, overseas distributors and most importantly, the dedication from the team of employees.
